

Diamond Valley Lions Club

Trevor Kennett

Diamond Valley Lions is a service club

What is a service club?

We do not have a single focus but help wherever we can.

Often with support or in support of other volunteer groups.

Snap shot of some of our projects.

Sponsor and work skin cancer screening van around Victoria visiting communities without ready access to this service.

Picked up piles of rubbish each clean up Australia day.

Assist the police running 10 Blue Light discos every year.

Renovated bunkhouse house Licola campsite and send needy kids each year.

Repaired Fence for lady traumatised by the death of a motorcyclist.

Collected 100,000 glasses which have gone on to those in need in developing countries.

Supported and trained hearing Dog for lady in Hurstbridge.

Collect postage stamps to raise money for child's mobility foundation to supply Hart walkers to children.

Working bee at DC cemetery.

Joint project Nillumbik to keep Nillumbik kids in school providing school extras and essentials to kids in need.

Hearing and vision screening around 75 preschoolers annually to make sure they are ready to start their school journey.

Bought and distributed emergency medical information books to aid ambos when picking up the frail or elderly.

Lions biggest BBQ child hood cancer Genome project.

Planted 1000's of trees and shrubs on Arbor and Tree Day Plantings.

Sponsored Christmas Carols.

Sponsored Boomerang bags project with Greenhills neighbourhood house.

I will stop the list here, as I realise if I keep going, I will surpass 3 minutes.

If you would like to know more, please look us up on Facebook or our website.
